AV ADVOCATES- THE LAW FIRM

AV ADVOCATES- THE LAW FIRM (hereinafter referred to as “the firm”) is a full service and research based firm with legal practice dealing in diverse range of matters relating to property, recovery of money, injunction suits, criminal complaints, medical negligence cases as well as consumer protection laws and arbitration matters besides other matters in District Courts, High Courts, Supreme Court of India, Consumer Courts, State Commissions, National Disputes Redressal Commission, Competition Commission, Debt Recovery Tribunal.

The Firm is promoted by professionals having professional & corporate experience, committed to provide the best professional legal & financial services to business world to meet specialized corporate requirements in all aspects. The Firm has its associates in almost all the major metropolitan cities of India and is primarily functioning at Delhi, Gurgaon, Chandigarh, Noida, Faridabad, Patiala.

With the sole aim of **client benefit & satisfaction**, the firm has grown well in last few years and has gained tremendous reputation for providing genuine advice. The firm focuses on core practice areas with in depth knowledge and strives for legal excellence as well as an appreciation of the commercial environment in which our clients operate. The Firm’s Focus, Values and quick turnaround time and attention to every matter makes us equal partner associates in the growth of our clients. The Firm also combines a personal approach with highly professional standards and aim to provide comprehensive legal services to our corporate, financial and commercial clients.

The Firm is of the definite belief that in the world’s present scenario of upward movement of economic order, the legal profession has a very valuable and constructive role to play. It is very essential to be cautious about the compliance of all legal provisions at the initial stages to avoid later complications and harassment. It is preferable to engage legal professionals and utilize the specialized service in your concerned business than to repent at a later date. In the changing legal and business

environment, the firm responds quickly to our clients with clear and practical advice in an attempt to facilitate, rather than inhibit their commercial transactions.

The Firm understands the nature of each client's business, the market in which the client operates and real business issues involved in the matters. A close and effective client-lawyer relationship is crucial when dealing with complex legal matters. The Firm aims to give clear and practical advice and attain a true understanding of its clients' need so that we can anticipate events rather than merely react to them. A forceful and effective approach ensures that our client's demand is met and their interests preserved.
